All our courses have been designed to give our participants ***“real life”*** skills and knowledge. Our training programmes help to enhance an individual’s performance, develop their language skills, communication skills, enhance their language proficiency and develop their confidence in speaking English.

Whether you want to learn English for travel, work, study or for social reasons, we can help you learn quickly and effectively. You will become a proficient English user when you study with us.

Highly experienced teachers

The ITS English staff is comprised of professionals from English speaking countries with masters in education, English and Linguistics. All our teachers are dynamic professionals with rich practical experiences.

Communicative Approach

We adopt the communicative approach to language training. Our aim is to make all of our training sessions as interactive and enjoyable as possible with plenty of opportunities for controlled practice and interaction.

One-to-One Tuition

One teacher to one student offers you a highly intensive course where your specific needs can be met. You can book one-to-one classes at any level and for as many hours as you wish. Before you start your lessons, you will complete a short test to give us as much information as possible about your proficiency level and what you need from your English lessons.

This will help your teacher plan a customised programme just for you. You are free during your course to choose exactly what you want to concentrate on - anything from intensive work on pronunciation, grammar, vocabulary, speaking or listening, to more specialised areas like business or social English.

10 hours (Based on a tuition fee of \$600 per hour)

15 hours (Based on a tuition fee of \$580 per hour)

20 hours (Based on a tuition fee of \$550 per hour)

Private Tuition on an hourly flexible basis = \$620 per hour)

Small Groups

This is an economical alternative. If you are in a position to put together a small group of students who would be interested in taking a course, we are happy to accommodate you. In many cases, two, three or four students have joined to take advantage of the course, thus substantially reducing the cost of private tutoring because the hourly rate of the instruction is split among the students involved.

Fees for small group tutoring (hourly) - 2 students, \$380 per student. 3 students, \$350 per student. 4 students, \$290 per student.
